

Multi-vendor AI is becoming close to a requirement

DESIGNATED FOR DIRECT OVERSIGHT

Hyperscalers and infrastructure

DORA's first list (19 providers) and the UK's four critical third parties. Lists can change: DORA's is updated every year.

NOT DESIGNATED

Model vendors

on neither list: oversight of a direct contract rests largely on the firm. No rule says "use two model vendors".

THE SIGNAL

Concentration ratio

share of production usage, or of important services, served by the largest model vendor, against a ceiling the firm sets. A tested stressed exit needs a second route that already works.
